# BY A SHOW OF HANDS

It's Turkey Time! That's right, our annual hand turkey challenge is back for its sixth year and it's better than ever!

In case you're unfamiliar, every year Rule29 sets out to find the most creative hand turkeys out there. In past years, we've traditionally chosen one winner out of all the entries. This year, we're creating three categories: kids, grown-ups, and pros. We'll choose three winners in each category who will receive an official Hand Turkey Winner Certificate. Top winners from each category will also receive an iTunes gift card!

## HOW IT WORKS

- #1: Download the hand turkey template [here](#)
- #2: Create, illustrate, draw, and/or color your hand turkey
- #3: Scan and upload your image [here](#) on Tumblr  
([handturkeys.tumblr.com/submit](http://handturkeys.tumblr.com/submit))
- #4: Browse the submissions and comment on your favorite hand turkeys
- #5: Pimp your turkey via Facebook, Pinterest, Google+ and/or Twitter  
(we've made it easy for you!)
- #6: Winner(s) will be selected and announced
